# Frequently Asked Questions A Quick Guide to Esports @ The Berwick Y

## Question

## Answer

- |  |   |  |
|--|---|--|
| When does the Program begin?   | → | First practice and League Play will be April 5th.  |
| How long is the program?   | → | 8 weeks (April 5 - May 28)   |
| Who can participate?   | → | Any middle school student, ages 10-14  |
| Is there a fee?  | → | Yes. Fees vary \$10-40 by member/non-member status.  |
| What game will they play?  | → | We will compete on Rocket League, but also practice other games socially.                          |
| Does my student need their own equipment?                                | → | This session, yes. We hope to host in-person gaming soon!  |
| What equipment will be used?   | → | Players can participate using their home PC, Switch, Xbox, or Playstation console                  |
| What is included in the session?   | → | Weekly coaching, curriculum, competitive league-play and uniform                                   |
| Will my student play competitively?                                      | → | Yes, if they choose to. Practice squads will also be available.                                    |
| Why should I support my student in their interest of gaming and Esports? | → | Career and academic opportunities in Esports include scholarships and more                         |
| What will my student be learning?  | → | We will talk weekly about online safety, teamwork, leadership and career advancement in the field. |
